

DR. SPINNEY,
No. 11 Kearny Street,

Treats All Chronic and Special Diseases.

For Young Men.

We may be suffering from the effects of want of exercise or labor, we do well to take Dr. Haydock's New Liver Pills. We will give away to $\$10$ for every case of general weakness or private disease of any kind or character which he understands and fails to cure.

MIDDLE-AGED MEN.

There are in my office thousands of men who are burdened with too much meat, either of the blood or fat, or are impeded by a slight pain or burning sensation, and a weakening of the system in a man of middle age. In examining the urinary apparatus, a prostatism will often be found, and sometimes manifestations of albumen will appear, or the color will be of a dark mucus hue, giving cause to a dark and torpid appearance. The cases are many who die of this disease ignorant of the cause, which is the second stage of the disease, weak as Dr. S. will guarantee a patient in all such cases, and a healthy restoration of the genito-urinary organs in 4 to 8 days, from 10 to 11 hours—Consult me free. Through examination and advice, call and address.
